Already very soon, literally in a month, spring will come, and with her will come and the first spring holiday will come

International Women's Day. Without completing a delicious Competition for the Day of Love, we decided to start preparation for March 8. Surely many of you will somehow make gifts and surprises for your loved ones and loved ones, so let's unite and we will need how to do together!

So, our campaign for the preparation for March 8 received the name of the magnificent eight.

Please note that this is not a competition, namely the promotion of joint creativity: in the next month we will all together prepare man-made postcards, souvenirs and gifts for the female day. We invite all creation you made to lay out in the overall gorgeous gallery.

To show yourself on others.?

And now

The most interesting. What is a magnificent eight? These types of needlework and creativity in which congratulations will be made. Each technique will be offered a master class of one of the magnificent eight of the masters, kindly agreed to take part in our promotion. All of them

Moms, bloggers and wonderful needlewomen who create beauty every day and inspiring others to creativity. We are pleased that they will help us make a spring holiday truly unforgettable.

As a sponsor, the action is the company Fanina Postcard

The company, united people with rich experience in the field of design and printing, where invent and create greeting envelopes, postcards, souvenirs

In short, all that is necessary for the best congratulations in the world. And here is our magnificent eight:
